

Soluna (JCALFR19) is a 19 oz. waterproof vinyl with a low sheen orange peel emboss. This material is excellent for awnings, canopies or any commercial area where there is a need for shade from the sun and extending product life. Soluna can also be used for outdoor Industrial and Athletic applications because it is highly resistant to mildew and fungus and comes with a 5 year UV warranty, assuring your projects will stay vivid for years to come. This material is dimensionally stable to eliminate unsightly sagging. Additionally, Soluna has superior tensile and tear strength for long outdoor durability and is flame resistant to the standards of ASTM E-84 "Class A", NFPA-701, and CSFM-19.
